I am an Informatics Engineering student who has a special interest and expertise in network engineering. Experienced in designing, implementing, and managing computer networks, I have a deep understanding of various network protocols, network security, and network hardware. I also possess strong analytical and problem-solving skills, as well as the ability to work in a team as well as independently. I am committed to continuous learning and keeping up with the latest developments in network technology to be able to provide the best solutions for the organization.

Experience

Data Analyst - PT Telkom TBK

November - December 2019

- Collect, clean, and analyze data using tools such as SQL, Excel, and Oracle to support business decision making.
- Ensure data quality and integrity through regular testing and validation.
- Execute data cleaning and transformation processes to ensure high data quality.

IT Support - Kominfo

November - December 2019

- Perform routine maintenance on IT systems and networks, including monitoring network performance, setting up regular data backups, and ensuring systems operate efficiently and securely.
- Handle various technical issues experienced by users, including hardware and software repairs
- Assist in the implementation of IT security policies by installing and configuring antivirus software, firewalls, and performing security updates to protect data and systems from cyber threats.

Cinematographer and Film Editor - Organization KIR

October 2018 - August 2021

- Design and execute shoots for various KIR film and video projects, including scientific documentaries, promotional videos, and other creative projects.
- Editing raw footage into a final, ready-to-watch product, using video editing software such as Adobe Premiere Pro
- Participate in concept development and script writing for KIR film projects.

Education

Gunadarma University

- Major in Informatics Engineering
- Current GPA : 3.71

2022-Now

Skills

Hard Skills

- Cisco
- Mikrotik
- GNS 3
- DEBIAN

Soft Skills

- Adaptability
- Teamwork
- Time Management
- Detail-Oriented
